

### HOLA! BIENVENIDOS!

We are happy to welcome you here!

Since quality means a lot to us, we prepare our meals with selected, fresh ingredients à la minute. This is why the preparation of your meal could take a bit longer when there are many guests. We kindly ask you for your patience if this happens.

If you're not sure, if the chosen meal is too spicy, you can just talk to us.

We will advise you on this, and of course we're available for all other questions, you might have.

We wish you a nice stay and enjoy your meal – „QUE APROVECHE“

The overview of labelling requirement ingredients is shown on the drink pages.

#### LAW FOR REUSE:

Since January 2020, all restaurants, bars and supermarkets are in need to provide reusable packaging for "takeaway" food and drinks.

Of course, we comply with the regulation and offer you a great reusable packaging concept with our partner "**Vytal**" - [www.vytal.org](http://www.vytal.org)
